

-----CHANNEL SEARCH WITH ALEXA-----

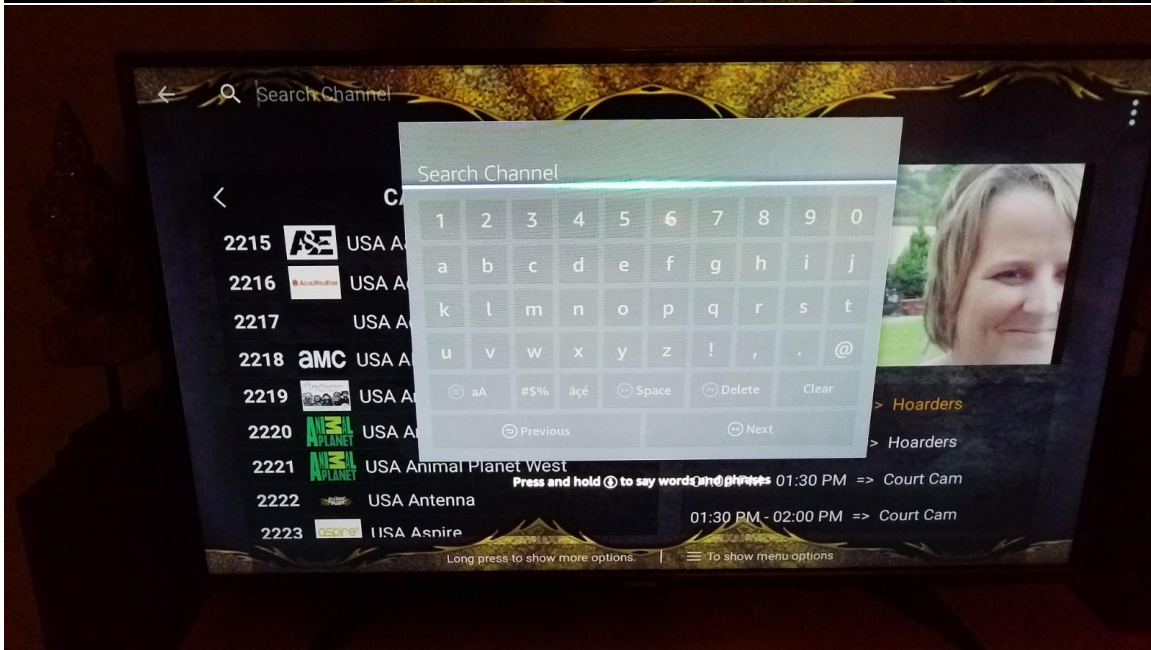

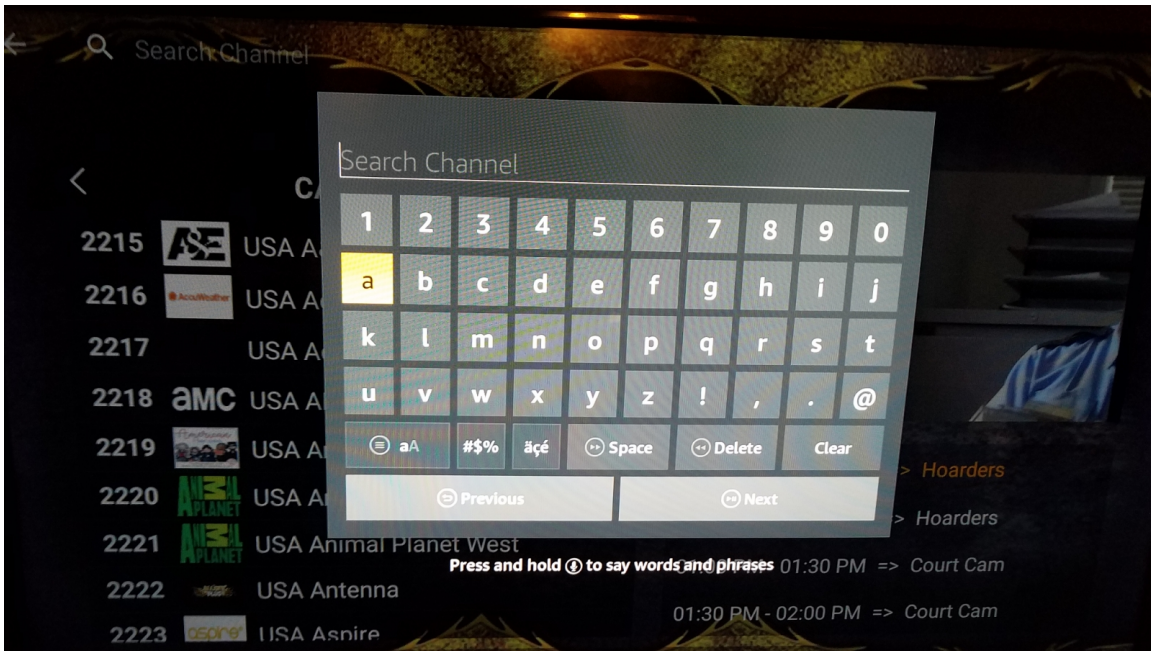

we now have the ability to search for shows/channels/series with ALEXA while in app. Make sure you are in the Allset tv app

Go into either LIVE TV MOVIES or TV SERIES
Then go to the top right magnifying glass to open up search box

once search box is open you can press the alexa button and speak the name of channel//Channel #//Movie// Tv Series

If the name is available it will pop up. Sometimes you might have to say the name a certain way for it to show.
